

# All American Scuba Learning Agreement

*Welcome to the PADI Open Water Diver Training/ Certification Course.* Diver training is meant to be fun, but like any form of learning, you'll need to invest some time and effort. This agreement is between you and your Instructor.

## Student Responsibilities

The student agrees to study independently as specified by your Instructor. In general this means that before each session, the student agrees to:

- 1-Follow all course procedures as set forth by the Instructor
- 2-Ask questions about anything that is not understood
- 3-Show up for all sessions on time and prepared

The student also acknowledges that they are aware of the facts that they must:

- 1-Provide their own mask, fins, snorkel that are appropriate for scuba diving.
- 2-Complete 4 Open Water Training Dives in order to receive their Certification and that the cost of these dives is not included in the tuition for the academic and pool training. **Training Dives need to be completed within 12 months of completing your final scheduled class/ pool session.**

If the student fails to complete assigned work and / or arrive on time, it may be necessary to make up work/ skills development. In such cases, the student will be responsible for any additional costs created by such occurrences. The fee for private, make-up sessions with your instructor is \$75 per session! In scheduling and determining additional cost, your Instructor agrees to give every reasonable consideration to unforeseen events, such as family emergencies that lead to these situations.

## Instructor/ Staff Responsibilities

**The course Instructor and Staff agree to:**

- 1- Start the class as scheduled, providing a positive learning environment
- 2-Answer the students questions to the best of their ability
- 3- Assist the student through learning challenges and to do everything within their ability to help the student finish successfully.

Remember this program is performance based and as such requires that all course objectives be met prior to certification.

Please Note that PADI requires all E-Learners to complete a Quick Review Quiz as a final step in the academic process. It is easiest to take this short quiz right after you have finished the on line program...your instructor administers this quiz.
